Objective

Passionate and dedicated B.Tech student specializing in Cybersecurity, seeking opportunities to apply my skills in securing digital environments and enhancing user experiences. Proficient in **software development**, and **programming**, with a **commitment to continuous learning and growth** in the field of cybersecurity.

Education

- **B.Tech in Computer Science & Engineering (Cybersecurity)**

St. Joseph College of Engineering and Technology, Palai

2023 – Present

- **Higher Secondary Education (Computer Science)**

St. Mary's HSS Kaliyar

2021 – 2023

- **Secondary Education (SSLC)**

St. Thomas High School Punnayar

2020 – 2021

Certifications

- **Cybersecurity and privacy** (IIT MADRAS)
- **Cybersecurity Analyst** (Tech Mahindra Foundation, Skill India Digital Hub)
- **Business English** (Infosys Springboard)
- **Introduction to Generative AI** (Google)
- **C for Beginners** (Great Learning)
- **Introduction to Large Language Models** (Google)
- **Ethical Hacking for Beginners** (Infosys Springboard)
- **Software Design and Development: Software Engineering & SDLC Phases** (Infosys Springboard)

Internships & Projects

- **Cybersecurity Analyst Job Simulation**

Tata Group & Mastercard | **2024**

- Conducted risk assessments, vulnerability management, and threat analysis.

- **Keylogger Software Development Internship 2024**

- Enhanced cybersecurity measures through the development of a keylogger for monitoring and analysis.

- **Media Intern**

MU Learn | **2024**

- Assisted in content creation, social media management, and digital marketing.

- **Part-time Social Media Marketer**

Nextu (Career Guidance Startup) | **2023 – 2024**

- Managed and created content for social media platforms to engage the student community.

Hackathons & Challenges

- **Smart India Hackathon** (2023)

- **Azure Fundamentals Cloud Skill Challenge** (Microsoft, 2023)

- **Hackenger**(Livewire, 2024)

- **Smart India Hackathon** (2024)

Workshops & Webinars

- **Drones & Security Challenges** – Internet Society Trivandrum Chapter (2024)

- **Securing the Cloud**– Ahalia School of Engineering (2024)

Skills

- **Programming & Development:** C, C++, Java, Python, HTML, basic SQL

- **Cybersecurity:** Ethical Hacking, Keylogger Development, Risk Assessment

- **Design & Editing:** UI/UX Design, Figma, Canva, WordPress, Video Editing

- **Soft Skills:** Communication, Teamwork, Leadership, Critical Thinking, Public Relations

Extracurricular Activities

- Hackathons & Challenges Enthusiast

- Hiking & Traveling

- Reading & Learning

- UI/UX Design & Video Editing

Languages

- **English**(conversational)
- **Malayalam**(Native)
